TRANSFIGURATION OF OUR LORD

The Transfiguration, counted by the Church as one of the "Twelve Great Feasts." had an important place in the Church calendar already in the fourth century. In the fourth century, Saint Helena erected a church on Mount Tabor, the traditional site of the Transfiguration, dedicated to the Feast. Although the event celebrated in the Feast occurred in the month of February, forty days before the Crucifixion, the Feast was early transferred to August because its full glory and joy could not be fittingly celebrated amid the sorrow and repentance of Great Lent. The sixth day of August was chosen as being forty days before the Feast of the Exaltation of the Cross when Christ's Passion is again remembered.

We see the Transfiguration a prefigurement of our Lord's Resurrection and His Second Coming. In the foreshadowing of future glory which is celebrated in this Feast, the Holy Church comforts her children by showing them that after the temporary sorrows and deprivations with which this earthly life is filled, the glory of eternal blessedness will shine forth; and in it even the body of the righteous will participate

It is our custom to offer **fruits to be blessed** at this feast; and this offering of thanksgiving to God contains a spiritual sign, too. Just as fruits ripen and are transformed under the action of the summer sun, so is man called to a spiritual transfiguration through the light of God's word by means of the Sacraments. We, as Christians, are called and the state that awaits us - to be transformed in the image of Him Who was transfigured on Mount Tabor

Ituna Ukrainian Catholic Pastoral District has a Zero Tolerance Abuse Policy. (*The term "abuse" means sexual, physical, psychological or emotional abuse, molestation, sexual harassment or corporal punishment.*) Abuse will not be tolerated in our parishes. Please report any abuse issues to Fr. Peter Pidskalny, Pastor, or Eparchy Chancery Office 306-653-0138
