Delivering essential and effective Eparchial Ministries to keep our Ukrainian Catholic

Faith alive and flourishing requires monetary resources. Funding for these programs from other sources is either dissipating or being drastically reduced. Therefore, there is a need for us to initiate the 2nd Annual Eparchial Appeal.

Please find it in your heart to support the call for funds to the 2016 Annual Eparchial Appeal. Your financial support, as well as your prayers, are crucial towards the Eparchy's goal to continue offering these ministries. You have already made a huge difference by your support of the 2015 Appeal. Throughout our lives, at one time or another, each of us will find ourselves in need of God's Mercy. Your support of the 2016 Appeal is reaching out in love and mercy that may change someone's life, perhaps even your own.

The teaching of the Catholic Church and the stance of the Catholic Bishops of Canada affirm the sacredness and dignity of human life. Suicide and euthanasia are contrary to the most profound natural inclination of each human being to live and preserve life. Furthermore, they contradict the fundamental responsibility that human beings have to protect one another and to enhance the quality of health and social care which every human life deserves, from conception to natural death.

Bill C-14, no matter how it may be amended, is an affront to human dignity, a violation of the sacrosanct duty of healthcare providers to heal, and the responsibility of legislators and citizens to assure and provide protection for all, especially those persons most at risk.
