

The BBESSI Office would like to THANK everyone for their tremendous efforts this year in making the 2016 Annual Eparchial Appeal as fruitful as possible. We are truly blessed to have you volunteer your time and energy in assisting the Eparchy and BBESSI get our message out to the parishioners, informing them of the importance of our programming in the various ministries. To date we have donations totalling \$174,602.00. We have achieved 79% participation from 837 transactions, with 137 being new donors. BRAVO! We have designated June 15<sup>th</sup>, 2016 as the final date for the Parishes to submit their donations on behalf of the donors. If the BBESSI Office receives subsequent donations to June 15, 2016, they will still be considered donations to the 2016 Annual Eparchial Appeal, and charitable receipts will be issued to those making the donation, but the individual Parishes will not get credit for those donations. After June 15, 2016 the BBESSI Office will do the accounting and rebates to the Parishes will be calculated as of June 15, 2016. We will also provide the Eparchy with the funds by June 30, 2016. The Eparchy will continue to receive the funds that are donated after June 15, 2016, but these will be forwarded on to them at a later date. The BBESSI Office is asking any of the parishes that have donations to forward them ASAP to the office for processing. Perhaps one last gentle reminder to parishioners regarding donating if they haven't done so already could also be made. It is important that all donations made can be attributed correctly and accurately to the parishes who have participated.

In closing we thank you for your diligence and assistance in this year's campaign. We look forward to working with you as we begin the campaign for 2017. Sincerely, Morris Smysnuik and Iris Owchar
