FEATURING AUTHOR AND SPEAKER

Shawna Arnold

Shawna Arnold lives with her family in Canada and continues to focus on personal healing, which includes sharing her life story in the hopes of helping others. Hers is a journey from abuse and abortion to finding God's grace and finally, a feeling of peace. Her book, *From Darkness into Light*, tells this story beautifully and like her public speaking appearances, it touches all who experience it. Shawna's story blesses many who struggle internally with guilt and depression and desperately seek healing, comfort, and refuge in their faith. Please join us at breakfast with Shawna!
