Did you know?

The word creation points to the connection between the world and the Person of the Creator; for the world is "the work of his hands". This is why it is impossible to know creation separately from the Creator. God's Revelation brings to our attention not so much the laws of nature as the actions of the Creator's Divine Economy. In the light of faith, the true beauty of creation is revealed to us as a reflection of the beauty and magnificence of its Creator: "Lord, how manifold are your works!" In wisdom you have made them all Ps 103 [104]: 24.

If you want something in the bulletin, the cut off is Thursday at midnight. My email address is cannon_iris@hotmail.com. If you would like to have your bulletin emailed to you, forward your e-mail address to cannon_iris@hotmail.com and I will add you to the list.
