#### Independent auditors' report

To the Members of Ukrainian Catholic Episcopal Corporation of Saskatchewan

We have audited the accompanying financial statements of **Ukrainian Catholic Episcopal Corporation of Saskatchewan**, which comprise the statement of financial position as at December 31, 2015 and the statements of operations and changes in net assets and cash flows for the year ended December 31, 2015 and a summary of significant accounting policies and other explanatory information.

#### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### Basis for qualified opinion

In common with many not-for profit organizations, **Ukrainian Catholic Episcopal Corporation of Saskatchewan** derives revenue from fundraising and donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of **Ukrainian Catholic Episcopal Corporation** of Saskatchewan. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising and donations revenue, deficiency of revenue over expenses, and cash flows from operations for the year ended December 31, 2015, current assets and net assets as at December 31, 2015. Our audit opinion on the financial statements for the year ended December 31, 2015 was modified accordingly because of the possible effects of this limitation of scope.

# Independent auditors' report (continued)

#### **Qualified opinion**

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion paragraph, the financial statements present fairly, in all material respects, the financial position of **Ukrainian Catholic Episcopal Corporation of Saskatchewan** as at December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Notes to the financial statements

December 31, 2015

#### 1. Nature of operations

Ukrainian Catholic Episcopal Corporation of Saskatchewan (the "Corporation") is a corporate entity incorporated under Federal statute and is a registered charity under the Income Tax Act.

The purpose of the Corporation is to administer the property, business, temporal and spiritual affairs of the Eparchy of Saskatoon in accordance with the Code of Canon Law.

#### 2. Significant accounting policies

These financial statements are prepared in accordance with Part III of the Chartered Professional Accountants of Canada ("CPA") Handbook - Accounting, which sets out generally accepted accounting principles for not-for-profit organizations in Canada and includes the significant accounting policies summarized below.

#### Revenue recognition

The Corporation follows the deferral method of accounting for contributions, which include grants and donations. Grants and bequests are recognized in the accounts when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Other donations are recorded when received, since pledges are not legally enforceable claims. Unrestricted contributions are recognized as revenue when initially recorded in the accounts. Externally-restricted contributions are deferred when initially recorded in the accounts and recognized as revenue in the year in which the related expenses are recognized.

Parish cathedraticum and assessments are recorded as revenue only when received due to the extent of uncertainty about the amounts that will ultimately be collected.

Rental revenue is recognized when the services have been provided.

Investment income is recorded in the statements of operations and changes in net assets when earned.

#### Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is determined using the first-in, first-out method.

#### Capital assets

Purchased capital assets are recorded at acquisition cost, less accumulated amortization. Contributed capital assets are recorded at fair value at the date of the contribution.

The Corporation provides for amortization using the declining balance method at rates designed to amortize the cost of the capital assets over their estimated useful lives. Amortization is recorded on the difference between the cost and the residual value. Annual amortization rates are as follows:

Bishop's residence	4%
Chancery	4%
Fences	10%
Office equipment	20%

#### Notes to the financial statements

December 31, 2015

#### 2. Significant accounting policies (continued)

#### **Financial instruments**

Investments reported at fair value consist of equity instruments that are quoted in an active market as well as investments in pooled funds and any investments in fixed income securities that the Corporation designates upon purchase to be measured at fair value. Transaction costs are recognized in the statement of operations in the period during which they are incurred.

Investments in fixed income securities not designated to be measured at fair value are initially recorded at fair value, plus any transaction costs and are subsequently measured at amortized cost using the straight-line method, less any provision for impairment.

The Corporation's investment in Saskatoon Co-op is recorded at original cost, plus undistributed patronage allocations.

All transactions are recorded on a trade date basis.

#### Allocation of expenses

The costs of personnel and other expenses directly related to functions are allocated to each function. General support and other costs are not allocated.

#### Contributed services and materials

Volunteers assist the Corporation in carrying out its service delivery activities. As a result of the difficulty in determining their fair value, contributed services are not recognized in the financial statements. Contributed materials are also not recorded in the accounts.

#### Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty. The effect of changes in such estimates on the financial statements in future periods could be significant.

#### 3. Investments

Investments consist of guaranteed investment certificates and higher interest savings accounts. Guaranteed investment certificates maturing within the next fiscal year have been classified as current.

#### 4. Loans receivable

	2010	2017
	\$	\$
All Saint's Parish - Humboldt, Saskatchewan	2,350	4,300
Clergy and seminarian loans - balance forgiven during the year		9,440
	2,350	13,740

2015

2014

#### Notes to the financial statements

December 31, 2015

#### 5. Capital assets

	Cost \$	Accumulated amortization	2015 Net \$	2014 Net \$
Bishop's residence	257,850	22,297	235,553	240,791
Chancery	703,471	79,486	623,985	642,658
Fences	7,723	2,526	5,197	5,774
Office equipment	61,822	27,220	34,602	32,159
Land	126,318	-	126,318	126,318
	1,157,184	131,529	1,025,655	1,047,700

#### 6. Estate of Mike Yuras

During 2011, the Corporation was the recipient of a bequest from the Estate of Mike Yuras to be used in providing for the education of candidates for the priesthood and to contribute to the growth and expansion of the Ukrainian Greek Catholic Church in the province of Saskatchewan. The Bishop has directed that this bequest be maintained until such a time that some parameters are established as to what the fund will be used for in future years. As such, the bequest has been included in deferred contributions.

#### 7. Contingencies

In 2007, the Corporation was named as a defendant in a legal action on behalf of a priest seeking to obtain ongoing support relating to a medical disability. As litigation is subject to many uncertainties, it is not possible to predict the ultimate outcome of this claim or to estimate the loss, if any, which may result. No developments have occurred in 2015.

#### 8. Related party transactions

The Corporation assesses a cathedraticum on all active Ukrainian Catholic Parishes in the Eparchy of Saskatoon. This cathedraticum is used by the Corporation to conduct its activities. In the current year, this cathedraticum amounted to 23% of the Corporation's revenue (2014 - 30%).

#### 9. Financial instruments

#### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in interest rates. In seeking to minimize the risks from interest rate fluctuations, the Corporation manages exposure through its normal operating and investing activities. Changes in market interest rates may have an effect on the cash flows associated with some financial assets, known as cash flow risk, and on the fair value of other financial assets, known as price risk.

The Corporation is exposed to interest rate risk with respect to its \$745,757 (2014 - \$731,338) in term deposits and guaranteed investment certificates, with fixed interest rates ranging from 1.7% to 2.6%.

#### **Credit risk**

Financial instruments that potentially subject the Corporation to concentrations of credit risk consist primarily of investments and accounts receivable. It is management's opinion that the Corporation's credit risk is minimal, as its investments are primarily in fixed income instruments issued by a number of Canadian financial institutions.
