Announcing the New Sacred Items Catalogue on our Eparchial Website!

Story: As churches close or declutter, they are faced with the question:

“What do we do with sacred items?” In the past we had no records of what went where, as people randomly decided what to do.

Problem: People want to know what will happen to their sacred items. They want the items to tell their story, have a record of where they came from and where they will go. We had no system for storage, selection, awareness or distribution.

Solution: Under the direction of AGEMI (Angel Gabriel Eparchial Ministries Inc.), Nestor Halaitso, Executive Secretary, has acquired a program creating a system for cataloguing these sacred items. It works like an online library. The items collected are catalogued, complete with photo, measurements, written description, and history if available. These are now accessible on our website under an icon link called **“Sacred Items Catalogue”**. Anyone can go there to browse. Any parish, with consent of their priest, can “go shopping”. There are no costs involved to get any of the sacred items that are catalogued in the system: such as a chalice, vestments, icons, gospel stand, etc. Currently 201 items are available for viewing. Categories include: candle holders, furniture, liturgical vessels and instruments, icons, books, bells, tabernacles, crosses, miscellaneous and more.

Storage: We are still developing the system of storage, but here is what we have in place now. In an indoor facility, we have a space for items that need to have a controlled environment. This means books, vestments and select items are stored where they are protected from the 3 M's: mildew, mice and moths. We also have a waterproof Sea Container which is used for other items like altars, candle holders, furniture, tabernacles ... which can withstand the change of temperatures associated with being stored in an unheated outdoor container.

I invite you to check out our new **“Sacred Items Catalogue”** on the home page of our Eparchial website, by clicking on the [Sacred Items Catalogue](#), and browse to see this project for yourself!

Have you heard “gifts come in all shapes and sizes”? This Spring, many people made generous donations to Sacred Heart Ukrainian Catholic Church in exchange for a six-pack of tomato seedlings. One doesn't usually think of tomato seedlings as gifts except when the gifts come from a special woman who knew a thing or two about growing prize-winning tomatoes.

Mrs. Anne Muzyka, a long time parishioner, passed away in April. Through the combined efforts of two thoughtful people, Heidi Spilchuk and Louise Filarczuk, her precious gifts were shared with others. Heidi and Louise planted the tomato seeds and nurtured the young plants until they were ready to go to good homes.

As a result, a total donation of \$225 was made in memory of Mrs. Muzyka to Sacred Heart Parish. Larry Tymiak, our President, accepted the donation from Heidi Spilchuk.

Thank you to all for your generosity. Mrs. Muzyka would be so pleased.
