2. **Reflections for Easter Week** - Human & Environmental Development Program – Dr. Lesya Sabada:
WEEK OF APPRECIATING NATURE. Celebrate the new way. For the Easter Week, plan an outing in nature to rejoice in creation rather than consumption. Meditate on the gift of creation. Take a walk outdoors, contemplate the plants in your home, or simply close your eyes and focus on the feeling of sun and wind on your skin. Capture your joy in creation. Start a daily or weekly journal or photography project to reflect on how creation strengthens your spirit, how you see it changing, and how you will protect it. Help others connect. Contact your pastor to lead a nature walk or meditation in your parish. Sing. Songs that praise the goodness of creation can help you connect with the joy of the creator. Sing a song about creation from your parish hymnal or family tradition. Pledge to care for creation. Pledge to pray, act, and advocate for creation.
