Catholic Education Week ***May 9th – May 16th***

Celebrate with us!!!

Each year, Catholic schools in Saskatchewan participate in a week-long celebration to remember and share the gift of Catholic Education. The theme for this year's Catholic Education Week is, "Catholic Education: Nurturing Hope/L'éducation catholique: Cultiver l'espérance".

This year's theme, Nurturing Hope, is fitting. A good way to think of nurturing hope is to compare it to growing a plant. We prepare the soil, sow the seeds, cultivate a growing environment, harvest the fruit, and marvel at how God helped each step of the way. Nurturing hope in our Catholic Schools can follow a similar pattern. Catholic Schools pride themselves on nurturing hope in our students by focusing on creating a good environment that helps us reflect on the source of life, Jesus Christ. Through this process, Catholic Schools help students obtain a quality education within a faith environment.

To further understand this theme of nurturing hope, we broke it down into five subthemes. These themes are:

- Day 1: Preparing the Earth / Préparer la terre
- Day 2: Sowing Seeds of Gratitude / Semer la gratitude
- Day 3: Cultivating Relationships / Cultiver nos relations
- Day 4: Harvesting New Fruit / Récolter de nouveaux fruits
- Day 5: Marvelling in Wonder / S'émerveiller

Each day during Catholic Education week, our schools will have special prayers and other activities to celebrate Catholic Education. (Social media posts can be found at 2021 Hashtags: #CEWSK2021 #NurturingHope #CatholicEdSK).

To celebrate World Catholic Education Day, Bishop Mark Hagemoen (Bishop of Saskatoon) will host a Liturgy of the Word for all the Catholic Schools in Saskatchewan on May 13th (10:00am). The liturgy can be viewed:

- At www.saskatoonmass.com
- It will also be available on the Diocese of Saskatoon YouTube Channel

The liturgy will be archived on both sites for later viewing.

Let us pray together for Catholic Education!
